

## *Jessica Johnson to perform at Foothill Center June 13*

A talented newcomer, and San Jose native, this 19-year-old singer has been compared to a young Aretha Franklin. With a touch of soul, Jessica can sing Gershwin to Stevie Wonder and cites Ella Fitzgerald, Michael Jackson and John Mayer as just a few of her influences. She is the granddaughter of Villages resident Florine Sellers.

Now an experienced performer at local lounges and clubs, Jessica has been entertaining audiences since she was 12 and recently released her debut CD "Till It Happens." This special performance will be Friday, June 13 at 7:30 p.m. at Foothill Center. Tickets will be sold May 31 and June 7 in the Cribari Lobby for \$10 or call 274-8446 to reserve will-call tickets. Call early for tickets, as there are limited seats.
